PARK ART CENTER OPENS ITS DOORS

“A new community-based Art Center opens in Villa Park, IL ”

VILLA PARK, Illinois-November 16, 2015 - The Park Art Center is an energetic, ever-evolving artistic atmosphere that invites all ages to learn, grow, and share in the art experience. It is a place where our passion for the arts intersects with other professional artists, community members and goes beyond our doors partnering with schools, hospitals, retirement homes, and other organizations to share creative imagination in all art forms. Come and explore and be a part of this exciting arts endeavor!

Currently, PAC’s doors are open to view the “Intro Exhibit” which features works from Park Art Centers own professional art instructors, talented Jr. board members, and board members showing from Nov. 9 – Dec. 28. This is a good way to introduce the public to PAC and get to know us as artists. The exhibitions rotate monthly with a reception typically on the first Friday of the month. Annual exhibits include an outdoor art fair along the Prairie Path, a regional juried show, member and student exhibits, and distinctive curated shows.

Additionally, some of the visual art workshops and drop-in programs starting Nov.16 include: figure drawing, crochet workshops, kids cartooning class, and wine and painting. PAC’s educational programs include 6 week session classes, drop-in programs, and camps during school breaks. Our programs are taught by experienced instructors who specialize in adapting projects to the students experience, goals, and skill level.

Park Art Center is proud to have an outreach program, which take place at schools, foster homes, senior centers, hospitals, veteran sites and more. Providing art programs outside of PAC is very important to our mission and with this, we can reach out to a larger audience that might not have the resources.

Additionally, Park Art Center will also offer special events like “Coffee with the Artist” with a live stream interview, “Art Film Night” (Wednesdays) and “Park Artfest”.
